

## ALLOTMENT AGREEMENT

An Agreement made on the XX<sup>th</sup> day of XXX in the year 2022 BETWEEN Tockwith with Wilstrop Parish Council (hereinafter called "the Council") acting by the Clerk to the Council of the one part and XXXXXXXX of XXXXXXXXXXXXXX (hereinafter called "the tenant") of the other part, whereby the Council agrees to let and the tenant agrees to rent the plot of ground (hereinafter referred to as "the allotment") situated at

**The Bridle Path Allotments, Tockwith** in the said Parish of Tockwith with Wilstrop and is distinguished by the number **XX** subject to the following terms and conditions, that is to say:-

- a) The tenant shall pay to the Council in advance on the first day of April in each year (and proportionally for any part of the year) the rent of £XXX per annum plus £2.00 administration fee, the first payment to be made on the signing of this agreement by the tenant (or such other arrangements as have been made).
  - b) The said rent may be increased by the Council giving to the tenant not less than twelve months' notice of Increase in Rent in writing, without the tenancy of the allotment being terminated. Within that period the tenant shall indicate in writing to the Council whether he/she is agreeable to such increase and whether he/she wishes to continue as a tenant.
  - c) In the event of the tenant not agreeing to the said rent increase the said Notice of Increase shall be treated as a valid Notice to Quit the tenancy, taking effect on the same date as the proposed increase in rent.
  - d) The Council is not obliged to accept as a tenant a person whom it considers in its absolute discretion is unlikely to observe the tenancy agreement and rules.
- 2. The allotment shall be let direct from the Council to the tenant from the date of signature of this agreement until terminated as hereinafter provided.
- 3. The tenant shall keep all trees, hedges, ditches, fences and gates and all paths alongside his/her own plot and any shed or other erection which has been permitted to be erected or placed on the allotment in good order and repair and shall keep the allotment properly cultivated but he/she shall not use manure of a kind or in a manner to cause nuisance. He/She shall not plant trees without the prior consent of the Parish Council with agreement confirmed in writing. The tenant shall not plant shrubs to the injury of the adjacent allotments nor cause any nuisance to or annoy any other tenant or tenants.

4. The tenant shall not use barbed wire for fencing adjoining any path set out by the Council for the use of occupiers of the allotments.

5. The tenants allotment garden/plot must be kept safe and maintained in a good horticultural state of cultivation, fertile and productive condition – Full Plots; at least 25% of the plot should comply within 3 months, 50% within 6 months and 100% cultivated by 12 months of taking up the tenancy. Half plots; 50% within 3 months and 100% within 6 months of taking up the tenancy. Where a tenant fails, as detailed within this allotment tenancy agreement, to maintain the accepted manner or standard of cultivation, in line with the inspection checklist criteria, the Council will serve on the tenant a "Notice to Improve" allowing the tenant 28 days for improvement. A final inspection will be carried out after 28 days of the notice, should the allotment garden/plot then fail the re-inspection then a 'Notice for Termination of Agreement' will be issued in which the tenant will have up to seven days to vacate the plot.

Where a tenant has been served with a "Notice to Improve" on two occasions then a further repeat will automatically result in immediate termination of the tenancy. On termination of the tenancy, the plot must be left in a clean, litter and waste free condition suitable for immediate re-letting. If the Council has to carry out works in order to re-let the plot due to the condition it has been left in, the Council will seek to recover its reasonable costs from the tenant.

6. The tenant shall not erect or place on the allotment any building or other erection without the previous consent in writing of the Council. When such consent is obtained the building or erection shall only be placed in a position approved of by the Council. Any such building or erection shall be put up and remain at the tenant's risk and, if the rent be paid up to date but not otherwise, may be removed or otherwise disposed of before termination of the tenancy. If such building is removed the ground shall be left in a condition satisfactory to the Council.

7. The tenant shall not buy or sell any allotment produce in the said building or erection nor carry on any trade or business therefrom nor use the same for the storage of any article not usually used in husbandry.

8. The tenant shall not keep pigeons, poultry, pigs or any other animals on the said allotment without consent from the Council provided that, in the case of hens and rabbits, such consent shall be subject only to the Council being satisfied that the provisions of Section 12 of the Allotments Act 1950 (or any subsequent legislation) are complied with nor shall any dog be brought on to an allotment unless such dog is at all times kept on a lead.

9. The tenant shall not assign or underlet the allotment. Joint or shared Tenancies are not permitted. If a coworker system operates where a second person helps the allotment tenant, the co-worker has no rights on the allotment plot and all responsibility remains with the tenant who has signed the allotment tenancy agreement. Likewise, it is expected that the tenant is the main person present on the allotment garden/plot and if this is proven not to be the case then this will be a form of subletting which is not permitted.

10. The Council shall pay all rates and taxes which may be payable in respect of the allotment but shall not be responsible for any rates taxes or other outgoings in respect of any building erected by the tenant on the allotment which may be rated by the Council; the rates in such case must be paid by the tenant.

11. The tenant shall use the allotment for gardening purposes only or for such other purpose as may be approved by the Council and will not resort to or permit drinking, card playing or gambling in any form in or on any building or garden on the allotment. Should a tenant resort to or permit such activities the tenancy shall be immediately forfeited without notice or rebate of rent and without any claim to compensation for crops or otherwise and this in addition to any penalty or punishment for which the tenant may be liable under any Act of Parliament.

12. The tenant shall not, at the termination of a tenancy nor at any other time, be entitled to claim any compensation, except such as shall be allowed under the provisions of the Allotment Act 1922 and the Allotments Act 1950 or any statutory modification thereof.

13. The Council, or any member or officer thereof, shall at all times be entitled to enter the allotment or any building erected thereon for the purpose of inspecting the same and in order to ensure the due observance of the terms of this agreement.

14. In the event of the rent being in arrears for forty days, or in the event of any breach by the tenant of any of the foregoing conditions after his/her default in remedying the same when called upon to do so, the Council shall be at liberty to re-enter and re-possess the allotment in all respects as if this Agreement had not been entered into and without giving any Notice to Quit to the tenant but without prejudice to the rights of the Council in respect of any antecedent breach of any of the tenant's agreements hereinbefore contained.

15. ANY dispute or difference arising between the tenant or his/her representative and the Council in respect of this agreement or anything herein contained shall be referred to the Clerk to the Council whose decision thereon shall be final and binding on the parties.

16. On the tenant paying the rent and observing and performing the stipulations and conditions on his/her part hereinbefore contained the Council will permit the tenant quietly and peaceably to hold and enjoy the allotment until such time as this Agreement shall be determined as mentioned above.

## 17. The tenancy shall be terminated:

a) by the right of occupation of the Council or on the 25<sup>th</sup> day of March or the 29<sup>th</sup> day of September next year after the death of the tenant.

b) by one party giving to the other not less than twelve months' notice in writing to quit expiring on or before the 1<sup>st</sup> day of April or on or after the 29<sup>th</sup> September in any year.

c) if the Council shall require possession of the allotment for any of the purposes mentioned in paragraphs b), c) or d) of subsection (1) of Section 1 off the Allotments Act 1922 (or any subsequent legislation) the Council shall have the power to re-enter the plot upon giving notice such as is necessary in accordance with the provisions of the subsection and the tenancy shall be determined accordingly.

17. Any Notice may be served on a tenant either personally or by leaving it at his/her last known place of abode or by letter addressed to him/her there or by fixing the same in some conspicuous manner on the allotment plot.

As WITNESS the hand of the Clerk to the Council and the tenant, the day and year first before written.
