i)	To consider planning applications received		
a)	ZC24/01899/FUL	Former Jodhpurs Riding School, Blind Lane	Siting of up to 64 Storage Containers and use of manege as open storage/informal parking for existing business
	Cllr McHenery had undertaken a site visit and neighbour consultation. b)	ZC24/01847/FUL	Broad Oak Farmhouse	Retrospective planning permission for the erection of a domestic garage at Broad Oak.

	An analysis of the application had been undertaken. Whilst it was noted that the PC had no objection to the paint, signage and lighting on the building, it was noted that the plans include two proposed signs on the outer Village Hall wall, the area for which has not been included within the red boundary on the site plan. It was noted that NYC Planning will also need to be consulted on the paint colour. It was recommended that the PC request that the application be revised and resubmitted.		

	RESOLVED: That the PC object to the application in its current form and ask that the NYC planners request a resubmission.		
	Cllr Algar left the meeting for the consideration of the below application.

i)	To receive an update on the village gateways
	Cllr Blake said he had identified possible locations on Fleet Lane, Kirk Lane and Marston Road. It was proposed that the what3words location be submitted to the Clerk to pass to Highways so that they can assess the sites. The Clerk advised the PC that the 2024-25 budget for the gateways is £4,800 which would be enough for one gateway at each site.
ii)	To consider any other highways matters

	RESOLVED: That the preferences for play equipment be considered at the August meeting.
iii)	To consider a request for a mountain biking track
	A request had been received from a young person for a bike track. The Clerk said the PC would likely have c £50,000 left in S106 monies from the refurb of the Marston Road play area. Cllr Algar said she had researched different companies for the design and build and that a dirt track would likely cost in the region of £20,000. Suitable locations were discussed and an area at the southwest end of Tockwith Sportsfield was considered to be the most suitable. It was proposed that Cllr Harrison take the proposal forward at the next meeting of the Sportsfield Trust.
	RESOLVED: That Cllr Harrison make a proposal for the above site at the next meeting of the Sportsfield Trust.

iv)	To consider a request to keep bees at the Bridlepath allotments
	Advice had been received from YLCA which had been circulated. There is strict guidance for the keeping of bees, most notably that the keeper must be a member of the British Beekeepers' Association (BBKA), have undertaken a basic beekeeping course and gained the Basic Certificate and hold beekeeping insurance with public liability of £5m. Locations for hives also need careful consideration and no hives should be placed adjacent to a school or livestock holdings. The PC considered the Bridlepath site to be unsuitable for beekeeping due to its proximity to a livestock farm. It was proposed that tenants be asked to complete a full application form with evidence of compliance with the above and that each case be assessed on an individual basis. The Clerk said she would advise the applicant.
	RESOLVED: That the guidelines from YLCA be adopted and each applicant be assessed on an individual basis.

The group is looking to send out the survey asap as some new feasibility study funding streams have become available that close in October. A final version of the leaflet will be circulated to the Parish Council before being distributed. FF are hoping to attend a site visit to a successful energy generation project in Grimsby.
